Dear Parents and Guardians:

This summer, your child can experience the Festus R-VI School District summer school program called, *Summer Academy*. The *Summer Academy* program will be in session for only twenty-two days. The dates for the program will be Wednesday, May 30th through Thursday, June 28th. Although the district offers summer school for students entering kindergarten through high school in 2018-19, *Summer Academy* is specifically designed for those students entering 5th through 8th grades for the upcoming school year. (*We DO NOT have late start Wednesdays. We begin each day at 8:10.)

Summer Academy has a new design with the interests of your child in mind. Students will be engaged in a variety of engineering design challenges and exploratory classes. Each day, students will be pushed to create, design, test, collect data, and redesign. Major design projects include water rockets, balloon race cars, and catapults! Students will learn to work together to problem solve and then compete against other teams.

In addition, students will be able to choose their preferred exploratory classes. Teachers have created a wide range of interesting classes from Escape the Room to Kitchen Science! You can find a full list of class descriptions in the application packet.

We have some field trips planned! We will be visiting Quonset Lanes, and the B&B Cinema in Festus. We also have a few surprises in store for the students!

We will also be working with the St. Louis Science Center. The Science Center staff will be coming to our school to conduct some scientific investigations. We started this partnership three years ago, and the students have loved it.

Summer Academy is open to regular district students and students who may reside outside of the district. I hope you will encourage your child to take advantage of this worthwhile program. Questions regarding the *Summer Academy* may be addressed to Mr. Cody Mothersbaugh or Lisa Rutledge at 636-937-5417.

Please note: All program offerings are contingent upon State Funding from the General Assembly. Summer school dates are subject to change.

Sincerely,
Cody Mothersbaugh

Exploratory Classes

Kitchen Science

Do you come home from school and your stomach is growling? Take this class and learn how to take care of yourself. The best part of this class is when we eat our experiments!

Body on Track

Do you know what your body needs? Are you active and get the 60 minutes a day of play? This class will get you up and moving!

Strategic Game Play

Are you strategic? Do you plan out your every move? Test your abilities against others and stretch your mind in this competitive board game class.

Team Play

This session is for those students who think P.E. class is the best part of the day! Students will get fit by participating in various lifetime sports.

Escape the Room!

You are trapped! Can you escape? Students will work together to solve puzzles and breakout in the fastest time! Are you ready? Hahahahaha! (Evil Laugh!)

Read It...Watch It

Are you up to speed on your movies? Did you know that some of them started as books? Students will compare and contrast the two forms of the same story.

Chat n' Chew Book Club

Students will experience the travels through collaboration of book selections. They will discuss events and characters in the selected stories.

History of Video Games

Video games have been around for over 40 years! From Atari to XBox, all will be revealed! This class includes history lessons, videos, and of course.....playing video games!

Trivia Masters

Do you feel the need to enrich your brain? Are you the person who knows the answers? Are you looking for competition? Trivia Masters is the class for you! You will compete against others to see who the Master really is!

FOOD SERVICE CHARGES

Lunch is served daily and students may bring a lunch from home if they wish. Check with our child's teacher to find out individual classroom lunch times. Lunch charges are \$2.30. The cost for the entire summer will be \$50.60. Reduced price students will be \$8.80.

Reduced lunches are \$0.40 for those that qualify under the free or reduced lunch program. (If you are a current Festus student who receives free or reduced lunch, it is not necessary to fill out additional paperwork. If you are a **non-resident of Festus/a student from another district**, you will need to fill out the proper forms if you want to receive free or reduced lunch. (Forms are available in the school office.)

Students will be allowed to charge no more than \$4.40 in meals during the summer school program. Any student owing more than \$4.40 will need to bring his or her lunch or receive the alternate meal of peanut butter and jelly and milk (The student will be charged the price of the alternate meal, \$1.20).

Just a reminder: There will be **NO** breakfast served.

Parents may access their child's food service account and other pertinent school information via the school website. If you have questions regarding the Festus R-VI Food Service Program please call **636-937-7747**.

PLEASE REFER TO THE SEPARATE LETTER FROM FOOD SERVICES THAT IS INCLUDED WITH THE SUMMER SCHOOL INFORMATION PACKET FOR MORE DETAILS, INCLUDING ONLINE PAYMENTS, ETC...
